Youth

Do you know that the convention is just one short month away?!?

We are looking forward to dancing at the 63rd Wisconsin Square and Round Dance Convention.

My, has the time flown by!

The youth hall is a special place for dancers under 17 to get a chance to dance with other youth and to win prizes. For each dance, we will be awarding a prize ticket to enter to win a prize of their choice or a dangle to wear on their badge! On Friday and Saturday Night at 9:00pm we will have a drawing for that day's prizes. We even get our own After Party on Saturday Night!!! There will be lots of square dancing with some line dancing and mixer dances added in to help us all to get to know one another better. We will even have a space set up on Saturday morning to let us learn to rope a cow or two if needed!

Just a few tips to help make your child's square dance convention experience great!

- Shoes must be worn at all times, so please help them to come dressed in comfortable footwear (no flip-flops!).
- An adult will be in charge in the youth hall at all times. Help them meet that person in case they need something.
- Bring a water bottle! It gets hot from all that dancing and we will have water available.
- Drop them off and let them know what time you will be back to get them.
- Help them brush up on their square dancing. Some of us haven't danced much since COVID.
- Stay for a dance or two! We need some great Angels to help from time to time to fill our squares so everyone who wants to can dance.
- There will be no electronics used in the youth hall. We want to keep everyone safe!

There will be a letter sent out soon to all of the registered youth, and a permission slip for them to bring to the youth hall the first time they visit.

Can't wait to see all those SMILING young faces in the youth hall!!!!

(The Youth Hall is for graduated youth square dancers-not for babysitting. We would love to have kids, but they must have already taken square dance lessons!)

Hearing Enhancement

The Mainstream & Plus Hall will have the hearing enhancement equipment Landmark Audio - a POL Digital Turning Radio. Anyone that is hearing impaired, and has a radio receiver can tune it to the frequency. This will be placed on the Caller's table to hear the caller's voice only. There will also be receivers that can be rented for a very low fee if dancers would like to try it out.

Raffles/Gift Baskets

We are putting together a 50/50 and Gift Basket Raffle at the Convention again this year. Would you or your club like to donate a basket or items for the raffle? Please reach out to Sharon Albright, thefinishingtouch76@frontier.com or Tracy Nickel, tnickeldesigns@gmail.com, if you are interested in donating to this fundraiser at the convention.
